PROGRAM DESCRIPTIONS

Date	Program	Description
July 1	<p style="text-align: center;"><i>Rainforest reptile show : conservation through education</i></p> 	<p style="text-align: center;"><i>Bugs, frogs, snakes, lizards, alligators, a large tortoise, an 8 foot boa - oh my!!!!</i></p> <p style="text-align: center;">Let's kick our summer reading program off with an ADVENTURE! Come join us for a truly unique and interactive children's program! Each child registered will also receive their summer reading adventure books. These workbooks are meant to work with the Warren School & Governor's summer reading challenge.</p>
July 8	<p style="text-align: center;"><i>Author: Donna Merrit</i></p> 	<p style="text-align: center;">Where do we get our water & how do we use it? Author Donna Merrit will read her book <u>The Water Cycle</u> and teach us about this amazing system. We will also make our own rain gauges! After our program, Donna will be selling & signing her books.</p>
July 15	<p style="text-align: center;"><i>Author: Doreen Tango</i></p> 	<p style="text-align: center;">GUMBALLS! Bubble blowing contests! Author Doreen Tango will be giving away gumballs and reading her book <u>I like gum.</u> We will also be making a fun craft to go along with our story. After our program, Doreen will be selling & signing her books.</p>
July 22	<p style="text-align: center;"><i>Sharon Audubon - pond exploration</i></p> 	<p style="text-align: center;">Sharon Audubon will be teaching us all about the wonders of the pond! Pond dipping is an excellent way of encouraging children to explore the natural world! We will also be doing a "SAVE OUR PLANET" craft under the pavilion.</p>
July 29	<p style="text-align: center;"><i>Tie dyed t-shirt making & ice cream social</i></p> 	<p style="text-align: center;">Come make your own tie dyed t-shirt! We will learn 3 basic methods for creating your own GROOVY shirt! While the shirts are being rinsed, we will have an ice cream social to celebrate the end of our summer reading program! ☺</p>
